New Mexico Department of Agriculture
Pesticide License Application

PRIVATE APPLICATOR RODENTICIDE

Agricultural producers who need to apply restricted-use pesticides only for the control of rodents may apply for a Private Pesticide Applicator - Rodenticide Only license. Private Applicator licenses are for agricultural pesticides and agricultural uses ONLY. A *Private Restricted Rodenticide Only ("PRRO")* license allows the licensee to purchase and use restricted use rodenticides for controlling rodents related to producing an agricultural commodity.
