

Annual Additional Growing Area #: _____ (Fill in number)

There is no acreage limit for a single contiguous growing area. Multiple growing areas (non-contiguous) can be included in one license under the following conditions: each growing area is within a 2.5 mile radius of a central point, the total acreage for all locations does not exceed 10 acres under one license, and all acres shall be planted within a three week period. Growing areas covered under one license must be owned or leased by a single licensee. Growing areas outside a 2.5 mile radius or in excess of 10 non-contiguous acres are required to be registered under a separate license.

1. Growing area location: Latitude (Decimal Degrees i.e., 32.86312): _____
 Longitude (Decimal Degrees i.e., -106.294074): _____
