## Forest Service Schedule of Proposed Actions

The Schedule of Proposed Actions (SOPA) is published in January, April, July, and October. It contains a list of proposed actions that will soon begin or are currently undergoing environmental analysis and documentation. It provides information so that you can become aware of and indicate your interest in specific proposals. We encourage your early and ongoing involvement in any proposals of interest to you.

**General Information:** For general information about the [SOPA](#), please refer to the Related Information links.

**Specific Information:** For proposal-specific information, please contact the corresponding "Project Contact" listed in the [SOPA](#).

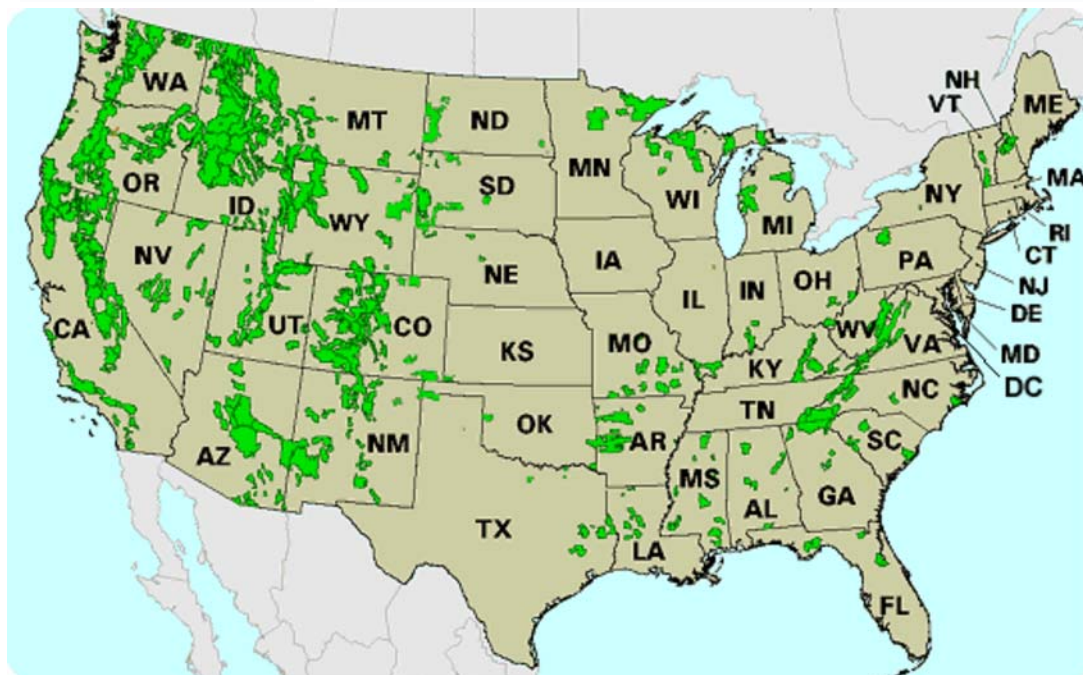

**Future Involvement:** To be included in future public involvement for a specific proposal, contact the corresponding "Project Contact" listed in the [SOPA](#) and indicate your interest in being involved.

Please use the map or drop-down lists to view the SOPA for a particular National Forest, Grassland, Scenic Area, Recreation Area, or Tall Grass Prairie.
