**Limited Service Establishment Registration Application  
Commercial Petroleum Weights and Measures Service Establishment**

This application must be completed by only those individuals desiring registration as a "**Limited Service**" service establishment for commercial petroleum weighing and measuring devices. The completed application must be accompanied by an establishment registration fee of **\$150** and also by a service technician registration fee of **\$50** for each employee of the service establishment who will be doing service work on commercial weighing and measuring devices. If the complete application for renewal of registration is not filed prior to the expiration date of the current registration, a late registration fee of **\$100** shall be charged in addition to the annual registration fees.

As Principal Officer of the establishment named above, I hereby apply for registration as a "**Limited Service**" commercial petroleum service establishment for the purpose of conducting the business of repairing, reconditioning, servicing and/or installing commercial petroleum weighing and measuring devices owned and operated by the above named establishment. This establishment will abide by the applicable rules and regulations of the Board of Regents of the New Mexico State University that have been or may be adopted under the Petroleum Products Standards Act (Chapter 98, Sections 1 through 16, Laws of 1993, NMSA). I certify that the employees of this establishment who will be doing the work are competent to repair, recondition, service or install the devices indicated on the reverse side of this application. I understand that registration as a "**Limited Service**" establishment does not convey the privilege of servicing or repairing devices owned by others.
