Thank you for your interest in becoming certified as a Pesticide Applicator. This manual is designed to educate you in the Ornamental & Turfgrass Pest Management section of the certification examination for New Mexico.

Enclosed you will find the Certification Manual for the Carolinas and Georgia prepared by the North Carolina Cooperative Extension Service at North Carolina State University. We have found this manual to be the most informative in general Ornamental & Turfgrass Pest Management information.

Also included, you will find insect, weed and disease information prepared by the New Mexico Cooperative Extension Service at New Mexico State University. These guides are specific to New Mexico and the problems encountered throughout the state.

We, at the New Mexico Department of Agriculture, wish you the best of luck in your studies. Please visit our website at nmdeptag.nmsu.edu or call the office if you have any questions regarding your certification.
